

# PHOENIX BULLETIN

## MARCH 2021

The Open water season has now finished with Phoenix featuring strongly – results of the Club competition not yet published. We have 5 swimmers who have completed all swims for the season – well done to John, Di, Anna, Jo S and Grant.

The summer pool season also finishes this week with the Club competition going down to the wire for first place.

A great Club get together at John Dundon's house was held on Australia Day – unfortunately, the swim was cancelled that day but we socialized on regardless.

The State Branch presentation dinner will be held on 26 March after being cancelled due to Covid restrictions in November 2020. Contact Jo Sutcliffe if you are interested.

The Club website can be accessed for all Club info - check it out here <http://phoenixmastersswim.org.au/>

### **Member Protection Officer.**

Di Napier has been appointed as the Club's MPO so if you have any need for assistance please contact Di.
