

PHOENIX BULLETIN

MAY 2021

The summer pool season finished in March with Phoenix winning the series by a whisker. We also achieved another win in the Short Course State Cup with a strong team contribution. Well done team!!

Check out the website for great photos and your Phoenix records.

The Winter pool series has commenced with Phoenix competing strongly. Entries for Interclub #2 close on 2 July. Contact Jo if you are keen to compete.

Yet another great Club get together was held at John Dundon's house in April – many thanks to John and Hendo for sharing their home.

Phoenix is now running three sessions a week at Immanuel pool – Saturday 10.30 am, Monday and Wednesday at 7 pm – please support these if you can.

The Club website is kept up to date and can be accessed for all Club info - check it out here <http://phoenixmastersswim.org.au/>

Dates for your diary:

- The Club AGM will be held on Saturday 24 July 2021 at 12 noon following training [our swim session that day will be a lot of fun – the Phoenix Fun Olympics !!]. The venue will be the seminar room at the pool complex. BTW no pressure to join the committee - we would just love to have you there.
- Details of the Club mid-winter dinner to follow shortly.
- The Club is targeting the relay meet to be held on 12 September 2021 – should be a great day – all swimmers are able to swim 5 relays (subject to team numbers).
- Check your emails in the next weeks for details of orders for Club gear.
